

TOCA MADISON RULE BOOK  
TOCA Madison  
(Revised Jan. 2023)

\*\*\*FIFA's "Laws of the Game" are used as a guideline for general rules of play along with our customized rules and interpretations for indoor and recreational play\*\*\*

Welcome to TOCA Soccer Leagues. TOCA is a place for all people who are interested in playing The Beautiful Game. We are here to support your team, and to provide a fun, safe, clean, and fair playing environment. Our center Referees are experienced in the sport, and they adhere to the policies we set forth as an organization. With this in mind, and to support all those involved in our league play, below is our rule book for sportsmanship & laws of our indoor game.

1. SPECTATOR, PLAYER, COACHES INFORMATION, EXPECTATIONS AND CONSIDERATIONS

- a. As with all recreational activities, indoor soccer has inherent risks associated with participation. Adult players as well as youth players and their parents/guardians accept such risks as the result of their participation in our facility. All participants must complete a proper consent form/waiver to participate.
- b. Due to the nature of indoor soccer, balls may exit the field of play. TOCA Madison is not responsible for damage to property or for injuries to spectators, coaches and players while attending an activity at TOCA Madison.
- c. Parents are responsible for supervising their children at all times. There are no exceptions to this rule.
- d. Soccer is a game of skill, technique, physical endurance, competition, sportsmanship, fun and fair play. It is also a contact sport along with other occurrences. If for any reason you feel you may get hurt while playing, we recommend that you do not participate.
- e. Our locker room changing area is provided for your convenience. We suggest you bring a lock for lockers to secure your personal belongings or leave it with a member associated with your team during your stay.
- f. TOCA Madison is not responsible for lost or stolen property and can not supervise any of your personal property. TOCA Madison will not keep your valuables or other materials behind our desk or in our office at any time or for later pick up by others.
- g. No cameras or cellphones are allowed in the locker rooms.
- h. No food or beverages are allowed on the field. Only covered beverages will be allowed in the bench area.
- i. Anyone found willfully damaging TOCA Madison property will be banned from TOCA Madison facilities and legal action can/will follow. This includes spitting or leaving gum on the field.

## 2. SPORTSMANSHIP & RESPECT OF THE GAME

- a. Please show courtesy and respect to other players, coaches and spectators, by acting with good sportsmanship, on and off the field. This includes; refraining from inappropriate, profane, or abusive language and/or dissent (verbally or through action) to any spectator, player, coach, official, or employee.
- b. TOCA Madison games are different from outdoor soccer and we are proud of it. While we share a variety of rules with outdoor soccer, we inserted several of our own rules to modify the game for indoor soccer play at TOCA Madison, emphasizing skills and reduced physical contact in a recreational and social atmosphere. This approach provides more respect for the game and a better environment for developing soccer skills. We love to serve everyone interested in enjoying recreational and competitive soccer. All skill levels. All ages.
- c. Please respect the opponent, the official, the laws of the game, the spectators and lastly, respect yourself by acting appropriately. Anyone who cannot abide by this may be required to leave the facility immediately.

## 3. TEAMS

- a. All teams and individual players, as well as associated parents or guardians, are required to play under the rules and policies of TOCA Madison. It is the responsibility of the team manager to inform their players and parents of this policy.
- b. Anyone participating in leagues must sign and have on file the required current player consent form in order to play.
- c. Team Roster must be completed prior to playing.
- d. A parent coach/manager must be present on bench at all youth games.
- e. All players must meet the age and gender criteria for the specific league/tournament to be eligible for play. All adult players must be 18 years of age and out of high school. Proof of age must be available for all participants. Proof shall be in the form of a birth certificate, driver's license or other suitable record approved by TOCA Madison management. The team manager/coach is responsible for playing with eligible players only. Teams/managers/players not complying with this procedure will result in a forfeited game, and possible removal from the league.
- f. Established youth teams may be allowed to play only one age group up with approval of TOCA Madison management. Independent players must participate at their age level.
- g. Any team playing with illegal players may face removal from the session or tournament without refund.

#### 4. LEAGUE MODIFICATIONS

- a. **Youth:** all youth ages are grouped covering two age groups. The title of most youth ages indicates the ages that the players must be "under" before January 1st in order to participate (with some exceptions). TOCA Madison allows classmates in the same grade to play with one another, with the exception of a combined grade classroom that does not meet the age/grade criteria of TOCA Madison leagues (example grade 2 / 3 classroom). In this case only the date of birth is allowed.

##### i. **Under 7/8 (small-sided with size 3 soccer ball)**

## 5. THE REFEREES

- a. The referee on the field is responsible for control of the game and has full authority while on premises at TOCA Madison.
- b. The referee's decisions regarding play are final.
- c. An oversight by an official in one game does not preclude the correct enforcement of the rules in future games.
- d. Referee or management has the authority at its discretion to shorten or end a game early.
- e. Management has the authority, at its discretion, to add an additional referee on or off the field to train, assist and/or control a game being played. This additional referee may initiate their authority at any time during the course of a game & has full authority.
- f. During and after a game both the player(s) and the official potentially have heightened emotions. This is not an appropriate time for criticism or feedback. We consider this as dissent and unsporting behavior. As such, we will take the appropriate action which could lead to a player suspension. However, our management is very interested in the evaluation or feedback of a referee from our customers as long as such discussions are done in a composed & proper manner, and after 24 hours of reflection.

## 6. PLAYER EQUIPMENT

- a. Player jersey requirements: All players must have the proper color and shade of jersey to participate.   - iii. Baseball or brimmed hats are not allowed
- h. An oversight by an official in one game does not preclude the correct enforcement of the rules in future games.

Once the ball is touched, any player may play the ball.
    - 3. Any player taking the goal kick shall place the ball at least 12 ft away from any opposing players positioned outside the penalty box. The official shall refrain from calling encroachment if he/she feels the restart was improperly placed too close to the opposing player(s).
